

REMARKS

The claims have been amended to remove multiple dependencies and to otherwise place the application in condition for US prosecution. "Use" claims 18 and 19 have been converted to method of treatment claims. The amendments to claims 18 and 19 find support in the specification at page 29, lines 15-17 and page 31, lines 24-26, respectively. It is respectfully submitted that no new matter is presented by the present amendments.

CONCLUSION

Early favorable Examination is now earnestly requested. The Examiner is invited to contact the undersigned, at the Examiner's convenience, should the Examiner have any questions regarding this communication or the present patent application.
